Post Communion Lord, we pray that your grace may always precede and follow us, and make us continually to be given to all good works; through Jesus Christ our Lord.

Post Communion We praise and thank you, O Christ, for this sacred feast: for here we receive you, here the memory of your passion is renewed, here our minds are filled with grace, and here a pledge of future glory is given, when we shall feast at that table where you reign with all your saints for ever.

Easy Eco Tips

October 2026

Greening your home this Autumn. Tackle climate change and reduce your heating bills by finding and reducing the draughts in your home. Find the gaps that let cold air in and warm air out (keyholes, letterboxes and gaps around windows, doors, loft hatches and floorboards for example). Do what you can to fix these gaps - there are lots of tutorials on how to do this online. It's also a good time to prepare for winter by putting radiator reflector foil or baking foil behind the radiator. This will reflect heat back into your room.
