PhoneChurch is working well, but please remember it is live and unless you mute the microphone on your phone everyone can hear anything that is happening at your end of the line. We are still learning how to best use this system and whilst responses during the service are working well, communal singing is causing problems - so for the moment please just listen to the music as it plays rather than singing along.

With Step 4 of the Government Roadmap has come a relaxation of Covid-19 restrictions. No Oasis - Please!

From Lisle Ryder, St Patrick's Environment Representative.

In the light of banning by the Royal Horticultural Society at its shows, please would those arranging flowers not use floral foam usually sold as Oasis. Through its use of microplastics, it causes serious pollution to the environment. Disposal of remains should not be added to compost, and particles should not be allowed into drains. Alternatives include glass beads or chicken wire scrunched into a vase.

Come and join us on Zoom for a time of Lectio Divina

Now on Tuesday afternoons at 16:00 - Lectio Divina is a contemplative way of reading the Bible. It dates back to the early centuries of the Christian Church and is a way of praying the scriptures that leads us further into God's word. It is listening with the 'ear' of the heart that allows scripture to speak to us in new ways while also deepening our relationship with the Living God.

Lisle's Limericks

Rev'd Lisle has offered us the following topical reflections for this season.

"How hard it is for those who have wealth
to enter the kingdom even with stealth.

While a camel might wriggle
through the eye of a needle,

how can a rich man find heaven himself?"

Trinity 19, Mark 10.23-27

James and John of Jesus did request
to sit with him to right and to left,
in his glory to share.

"I must make you aware,
to be seated thus is at God's behest."

When the ten heard this they were much distressed.

So Jesus called them and to all addressed,

"You surely must know,
lords rank do bestow,

but for you to be great let the poor be your guest."

Trinity 20, Mark 10.35-45

As Jesus to Jericho drew near
a blind man called out in great fear

"Have pity on me,
I'm unable to see!"

Crowds in front shut him up with a jeer.

Bartimaeus called out all the more

"Son of David to you I implore..."

"What is it for you,
you want me to do?"

"I want back my sight like 'twas before."

Said Jesus, "Your sight right now I restore,
for calling in faith has healed you for sure."

Now able to see

he stepped out with esprit

following Jesus and praising the Lord.

Last after Trinity, Mark 10.46-52

Liberia News

Simon and Grace Stretton-Downes Simon is a dentist leading a team at a clinic at the Eternal Love Winning All (ELWA) Hospital in Monrovia. Grace is a nurse and will support Simon as well as seeking God's direction for her role in the mission field. The couple are sent by St Gregory's Church, Crakehall and are working for Serving In Mission (SIM)

Rosemary Gaven is our local contact and keeps us update with the news they send. The best news to-day is that Simon and Grace's first grandchild arrived on Sunday 3rd October at lunchtime and his name is Nathan. We give thanks for his safe arrival! Congratulations to Alison and Charles and of course all the grandparents. Grace will go to South Africa shortly to meet her new grandson and give a little support.

Back to the Clinic - Wannie's application to Nairobi is still pending and she is feeling anxious as the term has already started as the days tick by with no response. Eddie has completed his 2nd year exams and hopefully he has passed and will be able to join the 3rd year due to start in November.

The clinic has been without a panoramic x-ray unit for 5 months and Simon is trying to order one through a company in the USA. Even then it is unlikely to arrive before January. Without it the diagnosis of patient conditions are challenging.

The plans for the Therapy School are progressing and Simon is thankful for great discussions with Cuttington University in Liberia and with Eddie, over developing a curriculum. Prof Rob Witton from Peninsula Dental School in Plymouth, UK is planning to go to Liberia in early December. They are developing plans for the new school building but funding needs to be in place before this can be started.

Simon's colleague Dr Doub a surgeon with Mercy Ships arrived there in July. He has assessed all their patients with facial tumours but is hampered by the fact that the kit he needs to treat them has still not arrived. He is feeling very frustrated as he is due to leave in December.

Simon and Grace give thanks for your prayers. Things can get a bit tense and sometimes Simon says he wakes up with a sore jaw from clenching his teeth which says something about how they are feeling!

And Finally

From Sue our LLM

The harvest is in, our harvest festivals are celebrating, one after the other, the bountiful goodness of God, the richness of the earth. At the same time, temperatures have dropped, and we've been reaching for thicker sweaters, maybe even a scarf in the early morning. We are well and truly into autumn, which is surely the fastest-changing season of all. Spectacular in its glorious colours, each day a new picture presents itself to us. The first leaves start to take on a yellow tinge – a few days later, they're orange, and next, of course, red. Each tree has its own spectrum, its own radiance. This surely is a time to stop, as often as we can, to notice – to fully take in this fleeting beauty around us, to rustle our feet through the fallen leaves.

Autumn is a season to celebrate, and to be thankful for all of God's precious gifts to us. It's not a season of growth and lengthening days, or of long, warm evenings, but each day has its own splendour, inviting us to slow down, to pause, remembering: *'This is the day that the Lord has made; let us rejoice and be glad in it'.*
